

JUNE 2017

Pray for:

June 9-16: 33 participants and eight facilitators at Entrust's Colorado hub for four intensive ministry training modules – one co-ed and three all-women groups.

June 21-24: up to 170 pastors and church members attending Entrust's Family Camp in Kurdistan, for refreshment and encouragement.

June 22-25: women taking WWMT's *Developing a Discerning Heart* (DDH), meeting for the first of two intensive sessions over these four days at Stonebriar Community Church, Frisco, Texas.

June 24: 40-some women in southern Manitoba who've completed Lessons 1-5 in Entrust's *Walking with Christ* course. They wrap up for the summer with today's group celebration and re-convene in the fall.

All month: Praise God and pray for the three young people desiring to explore God's call on their lives through Entrust's short-term Serving To Equip People (STEP) initiative (www.entrust4.org/STEP).
