

## NOVEMBER 2017

Ask the Lord for:

**Women in ministry** to gain fresh skills and renewed vision through training in Italy (through Nov. 4, with a team of facilitators led by second-generation Italian learners) and Thailand (through Nov. 9 with facilitators from Equipping Women International and Entrust).

**Harvey Newton** to serve with wisdom and clarity, leading continuing education seminars, preaching at mid-week and Sunday services and mentoring men individually in Moldova through the middle of the month.

Fresh ideas and creativity for Entrust's **communication team**, getting together to review, revise and refresh all of our organization's communication efforts, Nov. 14-16.

A generous outpouring of funds for various ministries of Entrust on **Giving Tuesday**, Nov. 28.
