Multiplying Leaders for Multiplying Churches

Dear Friends,

A special thank you for your prayers for my trip to Romania, September 3rd thru 13th, 2009. Andy Seidel and I conducted conferences on Leadership Development for churches in Timisoara, Brasov, and Galati. Of the 400 in attendance, a majority were women and college students. Romania is a growing land of opportunity for church leaders, regardless of gender or age. Each attendee received a copy of Andy's book "Charting A bold Course", translated into Romanian! I was greatly encouraged by the gratitude and appreciation of each student for this valuable resource.

Pastoral Theology

Another highlight was the Pastoral Leadership class. Andy led over 3 days for 16 students. These leaders are completing a 2 year course in theology. I was so grateful to be re-united with my friend Mihai Dumitrascu. I met Mihai on a previous trip with Andy in 1999, and it was encouraging to see how God has

used Mihai in His role as senior pastor at Emmanuel Church in Galati. God has used Mihai to establish Emmanuel Church as an anchor for Galati. Emmanuel Church has planted several other churches in the region. They have continued to glorify God by producing obedient disciples. Mihai also helps lead a national leader training group for Romanian pastors.

Thanks for your support in helping me share Christ with so many influential pastors and church leaders. Together, we share in God's work of changing an entire country.

For His Glory,
Brian & Bethlyn

*God has truly blessed us this year.
Please keep us in your prayers
as we continue to run the race that our Lord Jesus
Christ has laid out for us .*
