## How?

*(Fifth in a series on the "who, what, when, when, where, why and how" of Entrust and me. To see previous installments go to [www.entrust4.org/lind](http://www.entrust4.org/lind))*

*How does our hurting world get better? Through Christians lovingly impacting society. (Luke 9:1-2, Acts 2:37-47, I Tim. 2:1-6, James 1:27)*

*How do Christians learn to lovingly impact society? Through involvement in a local church. (Acts 4:32-35, Acts 11:27-30)*

*How does a local church equip its members to lovingly impact society? Through godly leaders and teachers (Acts 11:19-26, I Tim. 6)*

*How do people become godly leaders and teachers? As mature Christians teach and mentor them. (II Tim. 2:2)*

***"And the things which you have heard from me in the presence of many witnesses, these entrust to faithful men, who will be able to teach others also." (II Tim. 2:2)***

Entrust is equipping faithful Moldovan women to in turn teach more faithful Moldovan women how to minister and serve with humble hearts in the context of their homes, churches and communities.

Entrust is equipping faithful Kurdish men to rightly teach the Scriptures and disciple new believers, and to in turn teach more Kurdish men to do the same.

Entrust is equipping men and women in several African nations to teach their own church members about biblical marriage and parenting, and about how to lovingly serve people with HIV/AIDS.

*How do people in the U.S. hear about and get involved with Entrust? Through its website, brochures, various mailings, videos and more.*

*How do those creative communication pieces come about? Through a 4-person communication department; I'll join them when all funds are coming in.*

*How can I put in enough time to do all the projects Entrust has for me? Through your consistent donations, allowing me to serve as a full-time missionary writer.*

*How can you help? By giving. I'm asking God for ten new donors to commit to one percent of my monthly need (\$45.54/month) by Easter. Might you be one of those? Meanwhile, donations of any amount are appreciated!*

Big praise! Thanks to funds already sent in, I get to attend and work at the Entrust All-Staff Conference in Turkey (April 9-19), then go to the Czech Republic (April 19-May 5) to visit many key friends in various stages of following and seeking (or not), our Lord Jesus.
