

February 2010

Wendy Wilson – Entrust
Women Reaching Women

Prayer Requests/Praises:

- 1) My focus this month will be on beginning the training of another group of 10 mentors to help with our increasing training needs. They are all women with a heart for and experience in local church ministry to women, as well as the desire to multiply what God has given them further into the need internationally. We will meet in Colorado Springs from all over the US for 8 days together of intensive training, discussion and planning. Pray for a rich and productive time as we seek and follow the Lord together.
- 2) My blitz through north and central Texas was an exhausting joy. It is SO meaningful to me to have time with valued ministry partners so we can talk in person about all God is doing, knowing how to pray for each other better, and building vision together for His calling on our lives.
- 3) All of Ed's paperwork and requirements have been received by the Licensing Board. They meet Feb 2-3, so we are hoping they will grant his license soon afterward! Ed is so excited about getting on now with real work! We are asking God for favor as Ed has been so faithful in completing everything necessary in the human system to allow him to be the blessing God has put on his heart to be as a counselor and educator.

Just in from Kosovo:

Hi Wendy:

We are currently awaiting recommendations from local pastors here for our initial group of women to train as mentors! They have approved the training and are happy for us to move ahead. We are planning on hosting a facilitator training course for them this spring; March or April depending on their availability – after 3 years of preparing, planning and praying! We hope to launch the initial Entrust course, *Walking with Christ*, in the fall. We'll keep you posted as things in Kosovo progress!

All the Best, Melissa

(field missionary trained by Women Reaching Women, Entrust)

*“Now finish the work, so that your eager willingness to do it may be matched
by your completion of it, according to your means.” 2 Cor 8:11*
