Most grants are made on the basis of budgeted requests for funds for the work done by partner organizations or churches, as donations are received with these projects preferenced. These are mostly organizations which our staff have helped to found, or have a consulting relationship with.

Some grants are administered by our staff in the form of small amounts of humanitarian aid.

Our staff members report details of humanitarian aid and donations to churches.

We monitor the use of grants to the partner organizations in Africa by the periodic visits of our staff in a coaching or training role. We also receive copies of the reports they prepare, both financial and operational.

Grants for Women to Women Ministry and training in various countries are closely monitored by U.S. staff participation.

Part I, line 3:

The organization tracked expenditures in accordance with the accrual basis of accounting. Foreign expenditures were tracked using expense reports per the organizations accountable reimbursement plan, and grant feedback reporting as described in schedule F, Part V.
