

# GIVING TUESDAY

November 29, 2022

Join us in multiplying hope!

Your hope-filled gifts on Giving Tuesday will encourage hope around the world.

## 13th gift - your usual monthly gift

You are up and running with regular donations. Entrust is already part of your giving plan. Add one extra gift for multiplied impact!

## Central ministry - any amount

You understand the value of a strong core; our center of gravity and source of all movement. Your investment here deepens and stabilizes all of Entrust.

## Crisis response - \$25

You desire to help people impacted by the Ukraine crisis. Your donation here goes directly to trusted churches and ministries serving Ukrainians in practical ways.

## Women's scholarships - \$50-\$200

You've seen people blessed by financial aid in education. Help make the difference for a woman who otherwise might miss out on a training module.

## Iberia project - \$100

You believe in church-based discipleship training. Your contribution to this fund accelerates translation, contextualization and discipleship training in Spain.

## Curriculum translation - \$150

You know the value of learning in your heart language. Your gift here helps us say yes / oui / da / si / ja to people from new language groups asking for Entrust training materials.

The world may look increasingly dark. Don't despair!  
Jesus has won the victory.

As people turn to Jesus, hope floods their lives. As we train  
leaders to train and disciple others, hope multiplies.

On Giving Tuesday, take heart and give generously,  
knowing you are multiplying hope!
