COED Facilitating Relational Learning (FRL) – Thursdays 5 pm to 8 pm US Mountain Time

This module explores the unique needs of the adult learner and studies the teaching methods of Jesus to determine why he is so effective in promoting change and maturity in others. Participants experience how facilitating discussions in a relational context is a powerful way to not only introduce content but to also stimulate growth that leads to mature disciples of Jesus Christ. Through developing significant, open questions and using the best educational practices for adults, participants learn and practice how to facilitate transformational, biblically-based discussions while receiving meaningful feedback from others. (Practice text: *Walking with Christ*, Required Foundational Module.)
